# WE NEED YOU!

On 18th & 19th May 2019, we will take part in Oxfam Trailwalker 10th edition: a unique mix between sports and solidarity.

## WHAT IS OXFAM TRAILWALKER?

4 people, tackling an extraordinary challenge together: walk 100km within 30 hours, as a team, without any relay, in the Morvan natural park, in Burgundy.

## WHAT FOR?

The aim is to build a better and a fairer world for all. Our pledge is to raise at least 1,500 € for Oxfam France, an NGO which has been tackling injustice and poverty every day for 30 years.
