**WALK TOGETHER
FOR A FAIRER WORLD**

WE NEED YOU!

On 14 and 15 September 2019 we will take place in the brand new edition of Oxfam Trailwalker. A unique challenge, all about sport and solidarity.

WHAT IS OXFAM TRAILWALKER?

It is the adventure of 4 people who have decided to take on an extraordinary physical and mental challenge.

We will be walking over 100 km in less than 30 hours, a day-and-night walk without any relays, from Dieppe in Normandy.

WHAT IS THE GOAL OF OXFAM TRAILWALKER?

The aim is to build a better and a fairer world for all. Our pledge is to raise at least 1,500 € for Oxfam France, an NGO which has been fighting injustice and poverty every day for more than 30 years.
